Note

Letter No. 8930/2063 dated 13th April 1902, from the Inspector General of Education in Mysore, in re the repairs to the building in which the Sanskrit Pátasála at Belur is located.

—"—

The Sanskrit Pátasála at Belur is a grant-in-aid Institution under the control of the Education department. It is located in a building attached to the Sri Chenna-Kesavaswami temple at that place.

2 So long ago as 1892, the Education Secretary brought to the notice of the Muzrai Assistant Commissioner of the Hassan District that that building was in great need of repairs, and requested that

they might be undertaken by
the Murzai department the
then Deputy Commissioner
Mr. P. N. Punnaiyya, in reporting ? -X- No. 543 dt 10 11.92.
the same to Govt, suggested
the desirability of such repairs
being carried out from the funds
of the temple alone, as in case
the Education department were
allowed to carry out the same,
they might eventually put forward
claims to the building itself;
and he has also submitted
an estimate for Rs 279/- for
the sanction of Govt. Meanwhile,
another communication to the -X- No. 4624/454, dt 13.2.93.
had been also received from
the Education Secretary requesting
for the repairs of the institution.

? Mr A. Sreenivasa Charlu,
the late Murzai Superintendent,
wrote to the after inspecting
the Pāṭaśāla, wrote to the -X- No. 287 dt 20.9.93.
Murzi F 56-92

Education Secretary that the temple had no funds at its credit to meet the cost of the repairs, but that the Education department might execute the same and also pay a monthly rental of Rs 5/- for the building being so utilized.

4 The Education Secretary thereupon stated that Govt never paid any rent for grant-in-aid schools but that, if the buildings were given rent-free, the same would be repaired at a moderate cost as a special case from the funds of the Education department.

1648/238 of 27.9.93.

5 On this, the late Murtai Superintendent stated, in his letter No. 774 Murt F 56-92 dated 18th January 1894, "that "just as you have kindly consented to repair the building "as a special case from the

"Education Funds, a small rent
"may also as a special case
"be paid for its use for school
"purposes," and in support of
his claim, he pointed out that
Govt had sanctioned a monthly
rental of Rs 10/- for the mantapam
that was taken up for locating
the Munsiffs Court at Seeranga patam.
and he also stated that he would
even reduce the rent to Rs 5/-
a month, on condition that
the temple should not be
called upon to execute any
repairs to the buildings.

6 In reply, the Education
Secretary stated that payment
of any rent for this grant-in-aid
school would be creating an
inconvenient precedent, but
that if it was insisted upon,
the only feasible plan would be
to raise the amount of grant
to the school from the next year,

X-No 4300/179 dt 20/1/94

(3)

and the Head Master might then be compelled to pay rent to the buildings. He also pointed out that the case of the Sanskrit Pátasála was not parallel to that of the Munsiff's Court, and that a temple was a very appropriate place to hold a Sanskrit school in, and that the dignity and usefulness of a temple would be enhanced by using a part of it as a seat of learning. No orders

have passed on this communication

The correspondence closed at this stage. After a lapse of over a period of 8 years, the Inspector General of Education has now re-opened the question, and in his present communication above, He states, that the roof of the buildings is leaking badly; and that the whole building is out of repair, and that repairing the same is estimated to cost about Rs 600/-, and recommends that a grant of Rs 300/- may be made from the Muzrai Funds

the balance being paid from the Education Department.

7 It is to be mentioned that the Inspector General of Education does not allude to the question of rent in his last communication

8 The Secretary was of opinion that as the building belongs to the Irrigation Department, its repairs might be undertaken altogether from that Department & and the Education Dept might be demanded the payment of a reasonable rent.

9 The above order was communicated to the Deputy Commissioner, who in reply ẋ stated that a sum of Rs 4350-4-8 stood to the credit of the Belur Temple on the 21st June 1902.

ẋ No. 70 dy 24.7.02

10 Thereupon the D. G. of Education was informed ẋ that as the said Mantapam belonged to the Belur Temple, the entire cost of repairing the same would be undertaken from Muzrai funds, and that the Education Department would have to pay a reasonable rent of Rs 5/- per mensem for the use of the building.

This Office No. 344 dy 29 8 02. Muzrai-56-92

The D. G. of Education has now, in his last communication No. 2129/424, dated 2nd September 1902, intimated

acceptance of the above proposal, and states that the said rent of Rs 5/- will be paid by the Manager of the Patasala from the grant-in-aid payable by Govt to the institution.

Note Continued

No 6293 d: 17th Novr 1903

An Estimate, as directed, was called for from the Chief Engineer in this office Ve 538/56-92 dated 20th September 1902. He has submitted the plan with an Estimate amounting to Rs 1033 for improving the Sanskrit Patasala attached to Sri Channakesavaswami temple at Belur and together with a report from the Executive Engineer wherein the details of works to be executed for the mantap and wherein the Sanskrit Patasala is located, are given. The Ex. Engr. states in his report that the want of a room for the Library is much felt by the teachers and it is proposed to construct the same and also that it is desirable to put in tile flooring which costs Rs 300 if funds permit. The floor at present is stated to retain moisture and thus render unfit for -able for boys to sit on it.

Note 2. to the Dewan

I think that under the circumstances stated above the Estimate

for Rs. 1033 may be sanctioned the charge being debited to the savings of the temple which amount to about 4000 Rs. This charge is incurred on the understanding that the Edn Dept pays a rent of 5 Rs per mensem to the temple on account of the use of the building.

I understood from Mr Bhabha in conversation that the Sanskrit Pathasala at Belur is doing good work.

SIR,

I have the honour to inform you that the Belur Sanskrit Pathasala is held in a building attached to the Belur Temple. The Pathasala is in a satisfactory state and is likely to show more progress in future. The terraced roof of the school building is leaking badly and the whole building is out of repair. The repairs are estimated to cost about Rs 600. I recommend that a grant of Rs 300 may be paid towards the repairs of the building from the Muzrai Surplus Funds. The balance will be paid from the Educational Budget.
